

## **Sue McLaren, CHSC, RN, COHN(C)**

### **Regional Vice President, Ontario & Quebec**

Sue has a lifetime's experience in Health and Safety stretching back over 25 years. She has obtained her Canadian Occupational Health Nurse designation from the Canadian Nurses Association and her Certified Health and Safety Consultant certification from the Canadian Society of Safety Engineering.

Numerous awards both nationally and internationally attest to her skill and ability in designing, developing and implementing health and safety programs.

Sue has been involved in many volunteer activities including the Canadian Standards Association, Excellence Canada and Houses to Home.
