# CHSC

when these four  
letters follow  
your name, they  
pack a powerful  
message...

**CHSC** – the certification that messages to employers, colleagues, clients and the public that the practitioner:

- ⚡ has an advanced standard of professional qualification in Health & Safety
- ⚡ has specialized training on the practitioner's role in Law, Ethics, Consulting, Program Evaluation, Project Management and Applied Risk

**CHSC** – the verification that the Health & Safety Professional:

- ⚡ has pursued the skills needed to manage and lead on Health and Safety issues in his or her organization
- ⚡ adheres to a Code of Conduct that is peer administered
- ⚡ carries professional liability insurance or company indemnification
- ⚡ maintains the credential through Continuing Education, Professional Practice, and Leadership and Voluntary Activities
