Please think about getting more involved with your Chapter !!

The Chapter has a continual need for persons who are willing to host a meeting, or who can present on a health and safety topic. We have a wide variety of expertise within our ever-increasing membership, much of which is not being fully appreciated or explored. If you know of anyone who can either host or present at a Chapter meeting, please contact our Recording Secretary - Larry Lear at (902) 221-6726 or larrylear@eastlink.ca.

By sharing your knowledge and experience, we all benefit.

Thanks!
