

Christl Aggus

Is a Certified Health & Safety Consultant and a Canadian Registered Safety Professional headquartered in Alberta, bringing over 20 years of industry experience from manufacturing, administration and construction sectors. Additional accreditations include Certified External Auditor, Canadian Risk Management and Psychological Health & Safety Advisor.

A career born from the union of workplace safety and human resources, Christl has managed a Health & Safety Management System consulting firm in Edmonton for over 10 yrs, providing a wide range of services and employing local champions.

Volunteer Experience through CSSE at the Chapter level as a Committee Member and Secretary and at the National level as a committee member for developing an Education Guide.

I am a devoted safety professional navigating through a pandemic and giving back where I can.

My passion is people, empower your peers that they become better and watch your community blossom.
