

I Gave Backpack! Campaign 2020

ORDER FORM FOR COMPANY SPONSORS

Census information released by Statistics Canada in 2017 shows that nearly 1.2 million children across Canada were living in low-income households, representing about 17% of all Canadian children. In Newfoundland and Labrador, the percentage of children under the age of 18 living in low-income households was 17.8%.

CSSE's goal is to give back to the local community in which our annual PDC is being held, namely the St. John's region in 2020, where there are many high need schools, particularly elementary schools.

Organization: _____
