

## **Manager, Prevention Services Permanent Appointments Regina or Saskatoon Office**

### **Job Summary:**

This position is accountable for the provision of comprehensive customer services and moving Saskatchewan quickly to zero workplace injuries. This includes the provision of prevention and employer audit services that protect the interests of the Worker's Compensation Board and ensure that employer equity is maintained. Responsibilities include the development, implementation and maintenance of provincial injury prevention partnerships, programs and awareness.

### **Qualifications:**

- A degree in Business Administration, Social Sciences or other related discipline.
- A minimum of five years of experience in the development, implementation and evaluation of safety management and/or certification standards which includes four years leadership experience in the coaching and development of staff.
- An equivalent combination of education and experience may be considered. Certification as a Canadian Registered Safety Professional would be considered an asset.
- Previous experience working with Continuous Process Improvement (CPI) would be considered an asset.
- Equivalent combinations of education and experience may be considered.

### **Applications:**

It is the responsibility of the applicant to ensure that the application is received in Human Resources before the end of the closing date. Each application must include an explanation of how each qualification is met and a complete resume giving details of education, employment history, etc.

**The Saskatchewan Workers' Compensation Board is committed to achieving a representative workforce. Members of designated groups (women, aboriginal people, people with disabilities and visible minorities) are encouraged to apply.**

**Closing Date: November 14, 2021**
